DISEGNETTI DEPRESSETTI

ELISA SHORI

Sono Elisa e nel 2019, nel pieno della mia quarter-life crisis, ho aperto la pagina Instagram **“Disegnetti Depresetti”** con lo scopo di sfogarmi con dei disegni molto semplici e immediati. Presto mi sono resa conto che queste emozioni che raccontavo erano condivise da migliaia di persone e che potevano essere utili anche agli altri per sentirsi meno soli.

Ora questo è il mio lavoro a tutti gli effetti, tra il mio shop online e le collaborazioni con i brand. Vivo a Londra, adoro passeggiare a Portobello market, passare il tempo con i miei amici

e raccontare la mia vita in modo spontaneo. I disegni continuano a rimanere per me il mezzo più efficace che ho per esprimermi e lasciare uscire i miei pensieri ed emozioni, permettendomi di avvicinarmi agli altri.
